Points from hands		
Game bonus (100 / 200)		
Box bonus (20 x won)		
TOTAL		

Knock: knocker scores the difference in deadwood. Undercut: the other player scores the difference + 10.

Gin: 20 + the opponent's deadwood (no laying off). Card values: ace 1, 2-10 face value, J Q K 10.

Many players use 25 for gin, undercut and boxes instead. Agree before you start.

Hollywood Gin Scoresheet

Three games at once. A player's 1st win goes in Game 1, 2nd win in Games 1-2, 3rd and later wins in all open games.

Each game ends when a player reaches 100 in that column; later wins only go into games still open.

Bonus rows (per game): game bonus 100 (200 if the loser has no score in that game), box bonus 20 per hand won in that game.

Player A: _____ Player B: _____ Date: _____
